

January 1, 2025

Greetings:

We are excited to announce **Maddison Hubbert** as our **Miss Flat River Heritage 2024-25!** Maddie, a Belding graduate, is a senior at Saginaw Valley State University College. While representing both Montcalm and Ionia counties, she will be speaking on her Social Impact Initiative: **Today's Youth, Tomorrow's Future: The Importance of Youth Leadership**. She will take part in the Miss Michigan Scholarship Program in June of 2025 where the winner of that will represent our state in the Miss America Program. These programs are wonderful networking opportunities. We are confident Maddie will do very well!

**We also are expanding!** Not only will our next titleholder (2025-26) represent Montcalm and Ionia counties, but she will also represent Isabella and Gratiot counties! This will include CMU and the other colleges within these four counties. This is a huge step for our organization.

Our Miss Flat River Heritage program is **funded solely by donations** from sponsors like you. We are a 501©(3), not-for-profit, organization which means your sponsorship/donation is tax deductible. Your donation affords exciting opportunities for the local young women in our area to become **leaders in our community** as well as gain educational scholarship monies.

Our next Miss Flat River Heritage Program will be held at the Greenville Area Community Center on **September 28, 2025**. We have attached our donation/sponsorship document for your review, please return at your earliest convenience. If you have questions or concerns, feel free to contact us at 616-813-8527, or via our website.

Thank you for your time and consideration. **We couldn't be more grateful.**

Sincerely,

Carol Warner, Titleholder Director

Miss Flat River Heritage Program
